

The second annual Fire Island Ocean Swim in the Town of Islip, NY on July 20 had 1 mile, 5k and 10k events. The 5k event was designated as the Colonies Zone Open Water Championship event. Our very own Andrew Schaefer won the event, in a Zone record setting time of 1:24:48. Molly Brown came in 5th overall and won her age group with a time of 1:42.58. Both swimmers are members of the BUMS program.
