

{comments on}

The Long Course Meters season for 2010 concluded on September 30th. There were no LCM meets within the Niagara LMSC, so we have not prepared a Top Ten submission for USMS. However, if you swam in a LCM meet outside of Niagara and think you have made Top Ten (refer to the [Event Rankings on USMS.org](#) ), please let us know so we can send USMS the necessary information. The submission deadline is October 20th.

Dana Gianniny has completed her time as the Top Ten recorder and passed the role on to Greg Danner. On behalf of Niagara LMSC we thank Dana for her service; be sure to thank her on the pool deck! If you have any Top Ten questions, please contact Greg.
