

Good luck to all swimmers competing at this weekend's annual meet in Binghamton. There are no deck entries for this meet.

If you are looking for a meet to attend, you should consider the Colonies Zone Short Course Yards Championship meet held at George Mason University in Fairfax, Virginia. Registration ends on April 6th, with the meet being held Friday the 15th through Sunday the 17th. [Go here for more information](#)

. There are several Niagara members already entered and you can view the current list of registered participants at that link.

Online entries for 2011 Spring Nationals (April 28th - May 1st) close at midnight March 24th. Sign up soon if you hope to compete. Check the calendar for information.

With the recent confirmation of 2010 SCM Top Ten Times, we officially conclude the 2010 season with four Pool All Americans (Ann Marie Crye, Dolly Hinckley, Louise Murray, Greg Danner) and three Long Distance All Americans (Annie Szuis, Mark Matheson, Greg Danner). This is the most number of Pool All Americans for Niagara in a single year since 1993 (when there were seven) and the second most ever dating back to USMS records from 1978. To be recognized as attaining All American status, a swimmer must post **the fastest time** in an event/age group in the country. The complete list of All Americans can be seen here:

[USMS Pool All Americans](#)

. Congratulations!
