

The Middlebury Muffintops hosted this summer's Colonies Zone LCM Championship at Middlebury College this past weekend. The last four years they hosted the New England LMSC Championships at this venue, which is open to all LMSCs. Hopefully they will continue to host a long course meters event every year. The location is only a 5-6 hour drive from most parts of the Niagara region, so I would encourage everyone to get out there next year!

Niagara was represented by two swimmers: Pete Kaemmerlen (27) and Greg Danner (30). They won their age group for all of the events they competed in and set new Championship Meet Records in 9 of the 11 events. Greg's 200 Fly time of 2:08.55 is 9th on the [FINA World Masters Top Ten LCM All-Time](#) list in the 30-34 age group. That race is available for viewing in our new Videos section.

There were two World Records broken by Canadians at the meet:

Lynn Marshall Carleton Univ - Ontario 50-54 Female - 800 Freestyle 9:38.04
Ian Smith YMCA Montreal 70-74 Male - 50 Freestyle 28.35

Complete results are located in our Results section. There are a dozen photos in the Gallery from the meet. Check out the nice facility!
