

The Ithaca meet results are up and record breaking performances have been identified. [Click here for more information](#)

. This was the largest showing in recent memory for a local Niagara meet. If anyone took pictures at the meet and is willing to share, please contact the webmaster.

On another note, the Long Course Meters Top Ten for 2011 was officially published last Friday. With no local LCM meets, Niagara only had two members make the Top Ten listing, which can be seen here: [USMS Top Ten - Niagara](#) .

A few meet dates have been posted in the calendar.
