

Board updates

Wednesday, 14 March 2012 15:12

With the advice and consent of the Board of Directors, the Chairman has appointed Dan Kornblatt to the position of Vice Chair of Niagara LMSC. Dan will be an advisor to the BOD and will assume an interim Chair role in the event of an emergency. Additionally, he will attend the annual USMS convention if the Chair is unable to do so. This is a new position within the LMSC.

Also with approval from the BOD, Kay Turner has been appointed as the new Sanctions officer. Her responsibilities include reviewing all meet sanction requests and coordinating that process with meet directors so we can provide as many competitive opportunities as possible for our members. Kay is replacing longtime volunteer Amy Johnson. Amy has held a position within the LMSC since 1996 and was this year's Skehan award winner. More details of prior Niagara award winners will be forthcoming in a new section of the website.

Both Dan and Kay have previously held volunteer positions with the LMSC and we thank them for once again stepping up to the starting blocks!{jcomments on}
