Banquet: need for estimate of attendance

ROTATION OF STATE MEET

Adirondak has bid for 1989. However, there may not be an adequate facility to host the State Meet. Adirondak has requested more time to explore the availability of facilities. Any other interested group may present a bid for States at the meet at Nassau Comm. Coll. in April.

CHAMPIONSHIPS

Syracuse will bid for the Zone Meet for 1988. Tentative date to be considered will be April 22, 23, 24, 1988. If Syracuse is not granted the Zone meet, they will host some meet on these dates. If Syracuse is awarded the Zones, Jim Goodenough will arrange for discount rates through a travel agency and the Hotel Syracuse. An estimate of attendance is projected at 600+ swimmers.

NATIONAL LONG COURSE CHAMPIONSHIPS, BUFFALO

Date: Aug 18-21, 1987
Gene Donner reported that pamphlets and logos are being designed. Bassett Travel Agency is the "official" agent.
Possible meet at UB on June 4, 1988 as Nationals trial-run. It may also be an Empire Games Qualifier.
Gene suggested that everyone seek out advertizing.
The Oregon Masters, hosts of the 1986 LC Nationals have helped us tremendously, but more help will be needed in the months to come.

NEW YORK STATE TEAM FOR NATIONAL COMPETITION

This idea was briefly discussed. A swimmer may change affiliations of a team up to 90 days prior to a meet.

ANNUAL STATE MEETING

Suzanne Rague of NYC suggested a meeting to be held next April on LI during the State Meet.
