

Meet results for both the Empire State Senior Games (SCY) and the Long Course meet have been posted to the Results section. They have also been uploaded to the USMS Event Results Database.

Due to improper timing procedures at the LCM meet, all of the 50's (fly, back, breast, and free) are unofficial times and the results are Exhibition. We want to give a special thank you to swimmer Carol Belva for stepping in and performing referee duties since some of the scheduled officials did not show up. Without her, the entirety of the meet would have been invalidated. Though she officiated almost the whole meet, the two heats of the events that she did swim in (400 free and 400 IM) were short one official and similarly are marked for Exhibition. The LMSC apologizes for any inconvenience and will be working with the meet host to ensure that this does not occur again, should they choose to host again in the future.

Please note, you have until July 8th to enter the Ithaca LCM meet, which will be held on Saturday, July 12th.

Also, the last day for online meet entry for the 2014 USMS Summer National Championship (from Aug 13-17 at the University of Maryland) is July 9th. <http://www.usms.org/comp/lcnats14/>

One last announcement: we have surpassed 600 members in Niagara for the first time in our history! Thank you for joining and please let us know if we can make your experience better!
