

The meet results for the Binghamton University Masters Swim Meet have been posted on our site as well as uploaded to USMS.org. Please go to our Results section for more information.

There were three LMSC records broken (a fourth is posted on the record breakers sheet, but it is from an Adirondack swimmer, therefore ineligible). At the conclusion of the Short Course Yards season, the yards records file (pdf) will be updated.

Some photos taken during the meet were added to our [Gallery](#) . If you would like to send in photos for any masters event, please contact the webmaster.

Colonies Zone Championships are taking place next weekend in Virginia. Entries are due by tomorrow, April 6th, at midnight. There are over 25 Niagara LMSC athletes already entered in the meet, most of them from BUMS.

USMS Nationals are in North Carolina at the end of the month. Entries are closed for that competition. There are 10 Niagara swimmers registered for that meet.

Good luck to everyone swimming this month!{jcomments on}
