

## **Ithaca Results**

Monday, 23 July 2012 13:54

---

The results from our first Ithaca LCM meet are posted. They have also been uploaded to USMS, in case you want to check your current national ranking. Thanks to everyone who attended and volunteered. We hope to make it a bigger and better experience next year!

The records for long course meters have been updated for men and women. There were 22 records broken on the women's side and 17 for the men. Congratulations to our record breakers and all participants!
